Juneteenth Celebration Parade Regulations and Check-In Instructions

Distribution of gifts, merchandise, literature, hand outs and other materials is strictly prohibited as your unit proceeds down the parade route; absolutely no "CANDY" or material may be thrown along the parade route. Squirt guns, silly string or any other items potentially dangerous to spectators are strictly forbidden. Consumption or possession of alcoholic beverages or other illegal substances is foreboded for any participant.

If your unit would like to hand out candy please do so at Pratt Park, we will have a table set up for any and all entrants that would like to participate. Due to safety on the parade route we can not allow anything thrown to viewers.

In case of an emergency, which may require police or fire vehicles, all entries are required to move as far to the right side of the street as possible.

To be eligible for awards, all entries must be available for pre-judging if your grouping requires it and complete the entire parade route. All awards will be distributed in front of the Stage in Pratt Park immediately following the parade.

All motorized and equestrian entries must have their insurance agent provide a Certificate of Insurance listing Juneteenth Celebration Parade, Central Area Chamber of Commerce, its employees, volunteers and officers as additionally insured. **Please fax or send in a copy of your Certificate of Insurance with your application.**

A driver must remain with all motorized entries from 10:30 AM in case it needs to be moved.

A spacing of 50 feet between each unit will be enforced by Parade officials and Seafair Parade Marshals. All units are required to close the gaps when ordered to do so by Parade Officials.

All units must maintain a forward motion at a slow parade pace. No speeding up, skidding, sudden braking and/or "wheelies" will be allowed. Parade Officials, Seafair Parade Marshals or the Police may immediately remove you from the parade lineup and you will not be allowed to participate in future parades. Please use good common sense, as safety is our primary concern for both participants and spectators.

Walking groups are limited to 25 persons per entry.

Organized bands and Drill Teams are excluded.
